

SEMBAGO

# Integrated Food Solutions

COMPANY

# Profile 2018

## OUR BUSINESS

*Established in 2017, Sembago focus on supporting Indonesian farmers, culinary business and society to provide the good quality product of food and spices*

### FOOD SUPPLIER

SEMBAGO provide products directly taken from farmers and SEMBAGO partner breeders, so the price is stable and cheaper, and can be guaranteed freshness and quality to always awake into the hands of consumers

### TRAINING AND COACHING

SEMBAGO provides training for farmers and ranchers in Indonesia to improve product quality and conduct sustainable development and for SEMBAGO farmers and breeders to produce quality products.

### FOOD PROCESSING

SEMBAGO processes foodstuffs to facilitate consumers, such as cuts of meat, fruit and vegetables, product packaging, product freezing, and other processing methods.
